Renaissance Academy

Family Information

Is English the primary language spoken in your home? _____

Are your children exposed to any other languages on a regular basis? _____

What led you to consider Renaissance Academy Charter School for your children's education? _____

Have your children had any Montessori school experience? _____

Renaissance Academy Charter School is a community that involves the entire family. As a member of Renaissance Academy Charter School, please describe your talents, interests, or resources you might share to enhance the Renaissance Community.

Once we become a Renaissance family, we understand that we are expected to stay informed about school events through, for example, emails, the newsletter, calendar, classroom notes, and website. We also understand that we are expected to support the school in providing for our children's best educational growth by working to ensure our children meet the requirements of the School including behavioral expectations, homework completion, and regular and prompt attendance at school and expected activities. I/we understand we are expected to attend parent/guardian-teacher conferences and Montessori Night, volunteer, participate in parent/guardian education programs and support school fundraising and social events.
