

School Supply List 2020

In this unusual year, even school supplies are different. Every student will be allowed to carry a backpack with them to hold personal supplies and mark their work area. Supplies will not be shared. Students need only bring enough paper and so forth for daily needs and we recommend keeping extra packs at home for replenishment.

Important – each student will need full daily access to

Ipad, laptop, or desktop computer with microphone, speaker, and camera for virtual learning

Please contact the school if you need help with this. Loaner devices are available with deposit.

Bring to School –

Backpack set up with:

- 1 full spill-proof **water bottle** or closed bottle of water
- **Pencil box** containing: pencils, colored pencils, sharpener, eraser, scissors, glue stick, hand sanitizer
- 1 wide-rule **composition book** for daily work journal – any color (Draw/write style for **K**)
- 1 **folder** - two pocket, any color (prefer poly) for carrying work
- 1 **folder** - two pocket, any color (prefer poly) filled with lined paper on one side and plain on other
- 7 / 8 Instead of folders - **Binder with 5 colored dividers** for subject area work, with paper inside
- A **clean face mask** every day. Required in the buildings, during arrivals/dismissals, and whenever social distancing is not possible when outdoors.

Students will be working outside so may want to bring:

- Yoga mat or towel to sit on
- Clipboard or Hard writing surface

Supplies to buy and keep at home and use to refill (Clearly don't need all at once but sales are far best now)

- * An extra wide-rule composition book for daily work journal – any color (Draw/write style for **K**)
- * 2 packs loose leaf wide-ruled paper
- * 1 ream of all purpose copy paper
- * 2 boxes of pencils (Ticonderoga suggested), Large Beginner size for Kindergarten.
- * 2 packs of 12 Crayola colored pencils
- * 1 bottle of liquid school glue OR packs glue sticks
- * 1 multi-colored package of construction paper
- * 1 pack of tracing paper
- * 1 ruler
- * Headphones are useful online, especially if no quiet setting (comfortable, over ear recommended)

Algebra & Geometry students need a scientific calculator. Specialized classes may require other items.

Remember the second half of Summer Homework is due on the first day in class.

We are looking forward to a great school year!
