

Summer Camp? YES!!

Renaissance Staff are offering some great camp programs this summer!

It's been a difficult year with so much of time in isolation. Summer is a great time to help the kids make up for it and get into the full swing with some fun and educational programs. Camps run Mondays-Thursdays. Kids can come one week or several, with AM, PM, and full day options. In every camp, primary focus will be on social interaction, engaging learning, and pure joy!

Sign Up Form

Mark the camp sessions you desire and return this form, or call the office to register.

The school is covering the major costs but there is a commitment fee with sign-up.
