

## CALLING ALL FUTURE ENGINEERS! - 3D Printer Camp

Build a foundation in 3D modeling by designing simple models, then watch them print out right before your very eyes. During this unique opportunity, discover how you can think beyond limits with cutting-edge technologies that will shape our world for years to come! You'll even get to take home things you printed out, and have the skills and tools to keep going. Let your child unleash their talent and imagination this summer. \*\*\*Taught by RA 3D Printer Expert Lara West
